

Export boosts the Printing Company

Budapest, 27 August, 2015 – **Export sales is growing continuously, which exceeded HUF 4 billion in the first half of the year representing 39% Group export sales ratio.**

Net sales of ANY Security Printing Company in the first half of 2015 amounted to HUF 10.3 billion, which decreased by 10% compared to the similar period in 2014, when the Printing Company made a significant part of the election forms for the 2014 elections. In addition to a 9% increase of the export, it reached HUF 4 billion, which is 39% of the total revenue in the ANY Group. Despite of the decrease in net sales due to the one-off item of election works, the Company's profitability has improved. EBITDA increased by 3%, which corresponds to 11.9% EBITDA margin. The net income was HUF 487 million, which represents HUF 34 EPS.

"It will be the 10th anniversary this year of entering the Stock Exchange. At that time we had yearly only HUF 635 million export sales revenue. Now we have doubled our whole sales revenue in a way, through which we made our sales revenue from our export market activity twelve times bigger. HUF 4 billion revenue comes from our export markets in this period of the year. We generated export sales growth, while having a well-balanced operation, thus we reached HUF 34 EPS in this half of the year." - commented **Gábor Zsámboki, CEO of ANY Security Printing Company PLC.**
