“It will be the 10th anniversary this year of entering the Stock Exchange. At that time we had yearly only HUF 635 million export sales revenue. Now we have doubled our whole sales revenue in a way, through which we made our sales revenue from our export market activity twelve times bigger. HUF 4 billion revenue comes from our export markets in this period of the year. We generated export sales growth, while having a well-balanced operation, thus we reached HUF 34 EPS in this half of the year.” - commented **Gábor Zsámboki, CEO of ANY Security Printing Company PLC.**

The figures presented in the Company's Q1-Q2 2015 Interim Report are unaudited, consolidated ("group-level") data prepared according to International Financial Reporting Standards (IFRS).

ANY Security Printing Company PLC hereby declares that based on the item 3.4 of Annex 2 of the 24/2008. (VIII.15.) Regulation of the Hungarian Ministry of Finance its Interim Report of Q1-Q2 2015 gives a true and fair view of assets and liabilities, financial position, profit and loss, the situation, improvement, performance of the Company, introducing the main risks and uncertainties. The Company does not conceal any fact that might have significance for the evaluation of the Company's financial position.

Cash flow analysis

Net cash flow from operating activities amounted to HUF 504 million in Q1-Q2 2015. The HUF 762 million net income before taxation and non-controlling interest was increased by HUF 411 million worth of items with no actual cash flow, the most important being depreciation and amortization. The change in trade receivables, inventories and liabilities decreased net cash flow from operating activities by HUF 614 million. Interest and tax payments totalled HUF -69 million in the period.

Major part of the -396 million HUF negative cash flow from investing activities mainly comprises the amounts spent on tangible asset purchases.

The cash flow from financing activities totalled -1,006 million HUF which was mainly affected by dividend of 2014 paid in this business year.

As a result of the above, cash and cash equivalents decreased by HUF 459 million compared to same period in 2014, and totalled HUF 753 million on 30 June 2015.

Business environment of the Company

ANY Security Printing Company PLC (formerly Állami Nyomda Nyrt. or State Printing House Plc) was established in 1851. It is the largest printing house in Hungary and one of the leading printing houses of the CEE region. ANY is a public limited company incorporated under the laws of the Republic of Hungary. The Company operated as a State enterprise until 1992 when it was transformed into a limited liability company (Rt.). The Company's registered office is located at Halom u.5, Budapest, District 10.

ANY PLC produces security products, plastic cards, personalized business and administration forms, as well as conventional printing products. Its international qualifications and certifications guarantee the highest level of security. The Group of ANY Security Printing consists of eight company. Apart from the domestic subsidiaries, there is a commercial office in Slovakia, and there are joint ventures in Bulgaria, Romania and Moldavia.

Goals and strategy of the Company

The Company offers complex solutions of document security products, plastic cards, and high-volume printing and personalisation of administration forms. The Company is the largest document security producer and personalizer of Hungary, but it also produces Mastercard and VISA bankcards for domestic and foreign banks as well. Apart from the Hungarian parent company, the joint ventures in Romania and Bulgaria also print personalized business forms, invoices, statements for banks, insurance companies and public utilities.

The strategic goal of the Company is to offer products and solutions through its document security and mobile technology developments like electronic security documents or payment solutions in line with the international standards that can help the organic growth of the ANY Group in the future.

Main risks of the Company, changes and uncertainties connected to them

Foreign currency risk

Among foreign currency transactions of the ANY Security Printing Company Plc. EURO based transactions are the most important ones. Foreign currency liabilities mainly occur from raw material purchases, which are hedged by the receivables from the export sales in foreign currency as a natural hedge. The balance of foreign currency receivables and liabilities are almost the same, therefore the foreign currency risk of the Company is not significant.

Interest rate risk

Due to the debts in ANY PLC, potential interest rate changes would not influence significantly the amount of interests to be paid by the Company.

Liquidity risk

Liquidity risk of the Company, due to the high balance of net working capital, is also low.
