

Revenue and profit has increased further

Budapest, 18th November, 2016 – **Consolidated sales revenue of ANY Security Printing Company PLC increased by 15% in the first nine months of 2016 comparing with last year’s similar period.**

Sales revenue of ANY Group amounted to HUF 18.4 billion in the first nine months, of which export sales revenue was HUF 6.6 billion. Net profit was HUF 968 million, of which HUF 126 million originates from a one-off item accounted for the purchase of ANY Ingatlanhasznosító Kft. After cleaning the one-off item, net profit amounts to HUF 842 million meaning a 16% profit improvement.

“The document security and information developments of the Printing Company ensure growth potential henceforward. The highest quality international certification in the security printing market, ISO 14298 was renewed at a higher level, so two buildings of the Company reached ‘governmental’ and ‘central bank’ level of certification. Beside innovative developments internationally audited production is essential both in domestic and export markets, which ensures stable market growth henceforward.” - commented **Gábor Zsámboki, CEO of ANY Security Printing Company PLC.**
