

## Positive assessment of ANY's application for a subsidy

ANY Security Printing Company PLC (1102 Budapest, Halom utca 5.) hereby informs the esteemed shareholders that its application submitted for the competitiveness-enhancing subsidy (Decree No. 7/2020. VI.6. KKM) announced by HIPA, National Investment Agency Non-profit Ltd. has been positively assessed.

The Ministry of Foreign Affairs will provide a non-refundable subsidy to ANY Security Printing Company to be invested in the development of security document production. The planned total cost of the investment is HUF 1,120,405,000, to which the Ministry contributes a grant of HUF 502,286,000.

The development of security document production contributes significantly to the development of the Company, its long term successful operation, and to the increase of its export activities.
