

New Chief Sales Officer at the Company

ANY Security Printing Company PLC (H-1102 Budapest, Halom utca 5.), in compliance with the disclosure obligation pursuant to §55-56. of Act CXX. of 2001 on Capital Markets and the Ministry of Finance Decree 24/2008. (VIII.15.), informs the Shareholders **that Mr Zoltán Fejes has been appointed as the new Chief Sales Officer of ANY Security Printing Company with effect from 1st October 2021.**

Zoltán Fejes joined the ANY team in July as Sales Director. After graduating in Sales from CNAM University in France, he studied Strategic Marketing at the London Business School, and then he started working in the telecommunications sector. His experience as a sales manager is not limited to large domestic companies in Hungary – such as T-Mobile, Vodafone or Telenor – he also worked in Saudi Arabia and Qatar. After returning from abroad, he also worked in the IT sector at T-Systems, a multinational company, from where he came to the world of printing. Zoltán Fejes does not currently possess ANY Security Printing Company shares.

“Zoltán joined our team in July. His knowledge about printing technology is improving day by day, coupled with his extensive domestic and international sales experience. This combination is important for achieving our long-term competitive market expansion objectives both in domestic and export markets. We also rely on Zoltán’s knowledge of the IT sector for the development of innovative new digital solutions for the Printing Company.” – added **Mr Gábor ZSÁMBOKI, CEO of ANY Security Printing Company PLC** to the announcement.
