

Zoltán Tóth passed away

7th of March 2023. - ANY Security Printing Company PLC (Halom utca 5, Budapest 1102) hereby informs its Shareholders and Partners that Zoltán Tóth, Chief Technical and Production Officer of ANY Security Printing Company PLC, member of the Board of Directors of Gyomai Kner Printing Company, passed away tragically and suddenly on the 3rd of March 2023 at the age of 62.

The achievements throughout his life command respect; since the 1st of July 2008, he has been Chief Technical and Production Officer of ANY. Thanks to his outstanding knowledge the new technologies of the Company have been built every day, his expertise and experience contributed to the realisation of projects of great importance, such as the renewal of the Hungarian identity card, the successful production of the world's first passport with a cover bearing colourful graphics, and the establishment of a new production centre. His personality has been instrumental in the production of security printing products, his work was characterised by respect for the profession and appreciation of the printing tradition. He lived in a large family, both at home and at the Company. He managed his daily life with discipline and composure. His defining personality and cheerfulness will be missed by all, the grief of his family and colleagues is indescribable. His duties are temporarily carried out by Gábor Zsámboki, CEO.
