

ANY Security Printing Company PLC supplies the election forms for the 2026 Parliamentary Elections

17th of December 2025 – The election forms for the Hungarian Parliamentary Elections to be held in 2026 will be supplied by ANY Security Printing Company PLC.

The National Election Office signed a framework contract with ANY Security Printing Company PLC on 17th of December 2025 covering the production and supply of printing products and related services for the 2026 general parliamentary elections, interim local municipal, national and ethnic minority elections, as well as local referendums. The total maximum net value of the contract is HUF 2.94 billion.

The Company has several decades of experience in the full-scale production of election forms and in the management of the related special security and logistical tasks. Within the framework of the contract, the Printing Company will supply election forms equipped with anti-forgery security features to domestic polling stations, diplomatic representations abroad and voters casting their votes by mail. The Company will also be responsible for additional printing services required for the voting process and for the delivery of election materials.
